Re: Kenergy
Armstrong Coal Co
(Lewis Mine) Contract Amendment

Dear Mr. DeRouen:

Enclosed for filing and approval is a copy of the Amendment to Electric Service Agreement between Kenergy and Armstrong Coal.

RUS has not yet approved the amendment to the wholesale letter agreement. However, the retail agreement does not take effect until the last of PSC and RUS approval. Therefore, we are filing this with the PSC first so that the customer will obtain the benefit of the lowered demand as soon as RUS approves the amended wholesale agreement.

Very truly yours,
